pp5-6

The C.E., B.E.G's letter within is self-explanatory. For the reasons stated therein the C.E. has proposed that the non-gazetted staff sanctioned in connection with the Jog-Karnatak El. Grid Scheme, as shown in column 5 of the statements at pp 1-3 ante and whose sanctioned period expires on the 1-1-54, may be continued till the 28-2-55. The proposal may be accepted in no. consultation with the F.D.

Jm. Deptt
for Vth

The PWD has proposed to continue the staff sanctioned in connection with the Jog-Kannabal Electric Evid Scheme. The statement at p. 1 and 3 ante indicates the staff to be continued. It is proposed to continue all the staff sanctioned in G.R. PWD No 1184/45 dt- 2-1-51 and Govt PWD T.C. 1582-G dt- 19-2-53. It appears that many posts have been kept vacant vide col. 6 of the OSD (R) had commented on this aspect. and suggested that the revised counts of the revised by Secy. PWD may be awaited. It is not clear from these fgs. whether such a review was taken and it is decided to continue the vacant posts. The BTG has stated that the vacant posts should also be continued as the peak of work will be during the current year. It is difficult to accept this position. Normally the work is not expected to have increased at this end. The work will on the contrary decrease. In view of this there appears no necessity to continue the vacant posts beyond the sanctioned period. If approved the PWD may be advised accordingly. Subject to these remarks the PWD proposal to continue the staff upto 28-2-55, may be agreed to. The fact that the expenditure on 29-12-53 this account in the current year is to be met from the sanctioned grant under the head '52-A-Civ' may be clearly

* para 125 of the Com Report will be put up by regnd.

DMO ✓ 8/2 Lele 30/12

brought out in the details proposed to be issued on the subject, by indicating the exact source therefor. The fact that necessary provision on this account has been included in the next year's budget estimates may also be mentioned therein.

C2
31/12/53

DS (5)

: Since the posts have remained vacant so long, they do not seem to be necessary and therefore, need not be continued.

There are large number of posts vacant in the Electric Grid. Since the whole organisation of the Grid is now to be examined by a committee, perhaps the Chief Engineer may be requested not to fill any of the vacant posts without obtaining F.D.'s sanction. P.W.D. may please inform him accordingly.

Q.

Submitted with Ref to this Deptt. P7 Nor, dated the 14-12-53.

2. Please see the note of the D.S., F.D. It is suggested that the vacant posts need not be continued.

3. The review of the Grid establishment is being undertaken. In the course of the proposed review, the question of vacant posts will naturally be considered. Such of the vacant posts as will be found surplus or superfluous will be retrenched. F.D. may therefore be requested no. kindly to agree to continue even the vacant posts, for the present. That Deptt. may also be requested to treat this case as "very urgent"

Submitted w.r.t. the office note dt. 31-12-1953 of the D.S.(S)'s note thereon.

2 The P.W.D. proposal is for orders.

15/1/54.

DS(S) — Does the P.W.D. agree to the proposal made in paragraph 2 of my note dated 2-1-54. If it does, then there is no point in continuing the posts because they cannot be filled without F.D's sanction. If any post is found necessary, F.D. can as well sanction the post at that time.

submitted with ref. to the notes at pp. 7-10 ante.

2. As the sanction to the estabt. for Drg. Karnatak grid Scheme has already expired, the draft orders, P.19 post-dated 2-1-54 continuing the posts already agreed to by the F.D., may issue in the first instance.

3. As regards D.S. F.D.'s note, dt. 15-1-54, P.11 it may be stated that this Deptt. agrees with D.S., F.D., that the vacant posts shd not be filled in, without obtaining F.D.'s sanction. Since, however, the vacant posts are to be filled in, in consultation with the F.D., there seems no objection to their continuance upto 28-2-55. If the vacant posts are not continued now, the whole procedure of sanctioning these posts anew will again have to be gone through, should the posts be required again. The vacant posts may therefore be continued now and the C.E., B.E.G., will be asked not to fill up these posts without obtaining prior sanction of the F.D. If the posts are found surplus by the grid Reorganisation Committee, they

'X' and this may involve delay.

will be retrenched. 16 F.D. may see these papers w.r. on this point, after issue of the proposed draft (p. 19 ante)

Submitted w.r. to this Deptt. note dt. 4-2-54 at p. 16 ante.

2. While agreeing to the continuance of the existing vacant posts it was stipulated that these posts should be filled after consulting F.D. as in this connection D.S.(S)'s notes dt. 2-1-54 at p. 9 ante and 15-1-54 at p. 11 ante and P.W.D. note dt. 22-1-54 at p. 15-16 ante. One E.E., E.I. Circle has since stated at p. 21 ante that he has filled some of the vacant posts due to works requirements. One P.W.D. vide its letter dt. 12-2-54 (p. 31 ante) confirming the vacant posts, has asked us to fill the remaining vacancies without further orders. One pp. may be seen and returned to P.W.D. unless it is considered necessary to ascertain the information about the posts filled.

25-2-54.

The C.E. has stated in his letter at p.21 that he will send details of the posts filled in. When this information is received by the P.W.D. it should be shown to F.D.

Lett

51-B

No.E-10(VI)/40843
Electric Grid Offices,
Mercantile Bank Building, Fort,
Bombay 1: 4 November, 1953.

To

The Secretary to Government,
Public Works Department,
Bombay.

Subject: Continuance of temporary establishment for the construction works in connection with the Jog-Karnatak Electric Grid Scheme.

Reference: Govt. Resolution, Public Works Dept., No. 1184/48, dated 2-1-1951, and Govt. letter, Public Works Dept., No. TCS-1852 E, dated 19-2-1953.

Kpp 79-80 of file No. 1184/48 Vol I slip A

p 37 of file No. TCS 1852-II d.b R

(1) -

I have to refer to Government Resolution and letter cited above wherein Government have been pleased to sanction gazetted and non-gazetted staff for one Division and 4 Sub-divisions for construction works of the Jog-Karnatak Electric Grid Scheme, and to state that the period of sanction for non-gazetted establishment will expire on 2-1-1954.

The construction works of Jog-Karnatak Electric Grid Scheme, estimated to cost Rs. 206.08 lakhs, are in progress and in full swing and the scheme is not expected to be completed in all respects earlier than about December 1954 and as such, the non-gazetted staff will have to be continued. The requisite information in regard to the staff required to be continued beyond 2-1-1954, together with the statistics required under Govt. letter, Public Works Dept., No.TCS-1852 F, dated 1-11-1952, are given in the attached statement. It will be seen from the statement that works costing about Rs. 42.6 lakhs are expected to be executed by the divisional unit during the year 1954-55. The work consists of the supervising construction of 110, 33 and 11 kV transmission lines, spread over a large area and substation buildings etc., at the 11 substations of the scheme together with the work of survey and construction of rural distribution lines. The above work will continue to be in full swing till about December 1954, by which time the major portion of the main scheme is expected to be over. It would take about

* will be put up if reqd.

to three months after December 1954 to finalise all transactions and accounts pertaining to the scheme. It is, therefore, necessary that the non-gazetted establishment as shown in the enclosed statement should be continued till 28th February 1955. As the present sanction for gazetted staff is till 2-1-1956, no proposals for its continuance beyond that date are considered necessary at this stage.

The provision for all the non-gazetted establishment proposed for continuance beyond 2-1-1954, has been included in the budget estimates for 1954-55 under the major head "52-A-Other Revenue Expenditure connected with Electricity Scheme".

In the circumstances stated above, I shall be obliged if you will kindly move Government to accord its sanction to the continuance of the establishment mentioned in column 5 of the statement attached till 28th February 1955 and issue very early orders in the matter. It is to be pointed out that vacant posts shown in column 6 of the attached statement are also to be continued as peak of work will be during the coming year.

T. J. Nallamuthu

Sub:- Continuance of temporary Establishment for the construction works in connection with the Jog-Karnatak Electric Grid Scheme.

Ref:- This office letter No.E.10(vi)/40843, dated 4-11-1953.

I invite reference to this office letter cited above and to state that as the sanction to temporary establishment for the construction works of the Jog-Karnatak Electric Grid Scheme has already expired on 2-1-1954, I request you to kindly move Government to issue immediate orders regarding the continuance of establishment in question beyond 2-1-1954 as proposed therein. In case the issue of Government orders in the matter are likely to be delayed, the Treasury Officer, Dharwar, may please be instructed to encash the pay bills of establishment of the Jog-Karnatak Electric Grid Division, Hubli, for the month of January 54 payable in February 54 in anticipation of Government sanction.

For Chief Engineer. 20/1/54

CBS/20.1.

IMMEDIATE

No.E-10(vi)/4750
Electric Grid Department,
Mercantile Bank.Building,Fort,
Bombay 1: 5 February 1954.

To

The Secretary to Government,
Public Works Department,
Bombay.

Subject :- Continuance of temporary establishment for the construction works in connection with the Jog-Karnatak Electric Grid Scheme.

Reference:- P 19 G.L.,P.W.D.,No.TCS 1853 25-1-1954.

.....

It is found from the orders contained in Government letter cited above that only the posts that were filled in till the time of submitting proposals for continuance under this office reference P 5 No.E-10(vi)/40843 dated 4-11-1953, have been continued upto 28-2-1955 and all the posts which were shown as vacant in the proposals have not been continued beyond 2-1-1954, even though I had specifically requested for continuing the vacant posts also.

In this connection it may be stated that some of the posts shown vacant at the time of submission of continuance proposals have now been filled in by the Executive Engineer(Civil), Jog Karnatak Electric Grid Division,Hubli, due to works requirements; and as such incumbents appointed to the posts which are not continued beyond 2-1-1954 have not been paid their salary for the month of January 1954 payable on 1st February 1954. The details of the posts filled in, posts which have to be filled in the next year owing to increased magnitude of the works and justification for their continuance will be sent to Government shortly.

Pending submission of the above information,I shall be obliged if you will be so good as to move Government to issue immediate orders continuing provisionally the vacant posts also beyond 2-1-1954, so

that the staff may be paid their salary for the month of January 1954.

Immediate orders of Government in the matter are requested.

T. J. Macnamara
Chief Engineer. 5/2/54
